RECORDER - HOCKING COUNTY LOGAN, OHIO 43138

CERTIFIED LAND CORNER RESTORATION

State of Ohio

County of Hocking.

3 rd day of March rner of Sections 29, 30, 35

I Mitchell W. Cosler , do hereby certify that on the I found evidence of the Section corner of hereon; and that from this evidence I established a new monument and accessories as described hereon to perpetuate the original location of this corner:

Description of original monument and accessories and subsequent restorations:

Original monument and accessories, as established by Levi Davis Survey (Hocking County) in 1869 and 1870, are as follows: Monument set - unknown.

Accessories Hickory Hickory 20" 20" N71E S71W 25 Links 4 Links

Plats of the Levi Davis Surveys are filed in the Hocking Count Recorder's Office, Book A-4, Pages 422, 423, 427 and 428.

Subsequent restoration is recorded in Book 1, Pages 274 and 27 Hocking County Surveys, filed at Hocking County Engineer's Off The 1913 Survey records a stone corner monument and bearing tr Elm, 15", N-W, 16.5 feet.

Description of corner evidence found: In 1937 the U.S.Forest Service recovered a stone monument, and established the following BT's -Sassafras Hickory E1m 6" 14" 6"

N25E S83W N21W 18 Links 43 Links 21 Links

In 1982 the U.S.Forest Service again recovered the corner stone and also the Elm and Hickory bearing trees. The Elm is dead and laying on the ground and is believed to be the Elm called for in 1913.

Corner stone is 2" 8" on top with definite +, and 2" above ground level There are faint st remains three feet W-SW of stone.

Description of monument and accessories I established to perpetuate the original location of this corner: The stone corner monument was left in place and the following bearing trees were established:

Shagbark Hickory 3"

Hickory

Sugar Maple

Sugar Maple (Unscribed)

N79E

6.1 Ft.

5" N30E 11.6 Ft.

4" N27W

12.3 Ft.

2" N87W 8.5 Ft.

This corner is eight feet west of a stripmined highwall (20 feet high).
