Re: "Minimum Requirements for All Surveys and Instruments of Conveyance in Hocking County, Ohio"

Attached are the revised, "Minimum Requirements for All Surveys and Instruments of Conveyance in Hocking County, Ohio" as adopted by the Hocking County Auditor, Kenneth R. Wilson and the Hocking County Engineer, William R. Shaw, P.E.,P.S.. The effective date of these revised requirements is April, 1<sup>st</sup> 2014. Changes from the previous requirements are highlighted in yellow. Most changes are to clarify requirements already in place, while others are needed to improve the Survey and Conveyance process and quality of future County records. The underlined red italic text is a brief explanation of some of the requirement changes

Please read and implement all requirements which apply to you or your office to avoid costly delays or problems in the future. If you should have questions concerning any of these changes please contact this office at any time.
